* Denotes an "Early Sponsor" of the 58th Annual Meeting & Regional Policy Forum

ERC's 58th Annual Meeting & Regional Policy Forum is the largest gathering of state officials in the Eastern region, bringing together state officials from its 18 member jurisdictions with nationally recognized experts from academia and the private sector to address public policy issues critical to the region. The meeting is a forum for sharing ideas and viewpoints in a truly non-partisan atmosphere. Sponsorship of the ERC Annual Meeting offers a valuable networking opportunity with leaders in the Eastern region. Sponsorship benefits at most levels include complimentary registrations and access to the invitation-only Executive Committee & Corporate Contributors dinner on Saturday, August 4th.

If you would like to become a sponsor of ERC's 58th Annual Meeting & Regional Policy Forum or if you would like more information, please contact AR Braver at abraver@csg.org or click [HERE](#) to view a description of sponsorship levels and the commitment form. All sponsors who commit in writing by April 30 will be considered an "Early Sponsor" and will have this designation on all sponsorship acknowledgements, in print at the meeting, and online. All meeting sponsors will be listed on this tab of the Annual Meeting website in early May.
